And he isn't very big
And he lives in the sty next door
And he goes oink oink oink oink oink oink

I've got a sheep
And I bought him very cheap
And he lives in the pen next door
And he goes baa baa baa baa baa baa

I've got a duck
And he brings me lots of luck
And he lives in the pond next door
And he goes quack quack quack quack quack quack

I've got a horse
And I love him of course
And he lives in the stable next door
And he goes neigh neigh neigh neigh neigh neigh

I've got a cat
And he's getting quite fat
And he lives in the basket next door
And he goes miaow miaow miaow miaow miaow miaow

I've got a dog
And he barks like a frog
And he lives in the kennel next door
And he goes woof woof woof woof woof woof

With a very bad habit
And he lives in the hutch next door
And he goes squeak squeak squeak squeak squeak squeak

Now I'm all alone
And I'm sitting on my own
So I'm going to move next door
And we'll go

And we'll go

And we'll go
